### HOW TO PLAY:

Turn any videoconference into lockdown bingo with this fantastic Zoomingo play card!  
 Distribute this card of risible household items in advance to your mates.  
 Maintain a serious business face at all times whilst ticking off the items you can see in peoples' rooms as fast as possible.  
 Ignore what anyone else says on the call to increase your concentration levels.  
 As soon as anyone gets a full house, shout "Zoomingo!", and everyone else will wonder what the fuck is going on.
